# FOREWORD

We, the staff, consider Kiondaga the symbol of a footprint. Just as those who have gone before us left footprints of material, social and educational progress so we shall leave footprints in the future. It is our desire to show through this symbol a suggestion of the steps in our development which have completed this one footprint of our lives and we hope that in the future it will be a means of association with the many incidents that comprised this footprint.

# DEDICATION

Dr. and Mrs. Lightner

# DEDICATION

Dr. Q. T. Lightner

September 1949 began a new phase of life for us and also for the man whom we have grown to love. His sincerity, friendliness, interest, guidance and willingness to help have made him the one to whom we have turned at any time. To us, Dr. Lightner will always be a member of our class.

Together Dr. and Mrs. Lightner have given us a home on campus with their invitations for tea, records, and "just to chat." Their warmth and understanding, genuineness, and generosity have enriched our lives and will always be remembered.

So it is with devotion, respect and gratitude that we, the Class of 1953, dedicate our book to Dr. and Mrs. Quentin Lightner.

*All the best to you  
Quentin T. Lightner*

# PRESIDENT

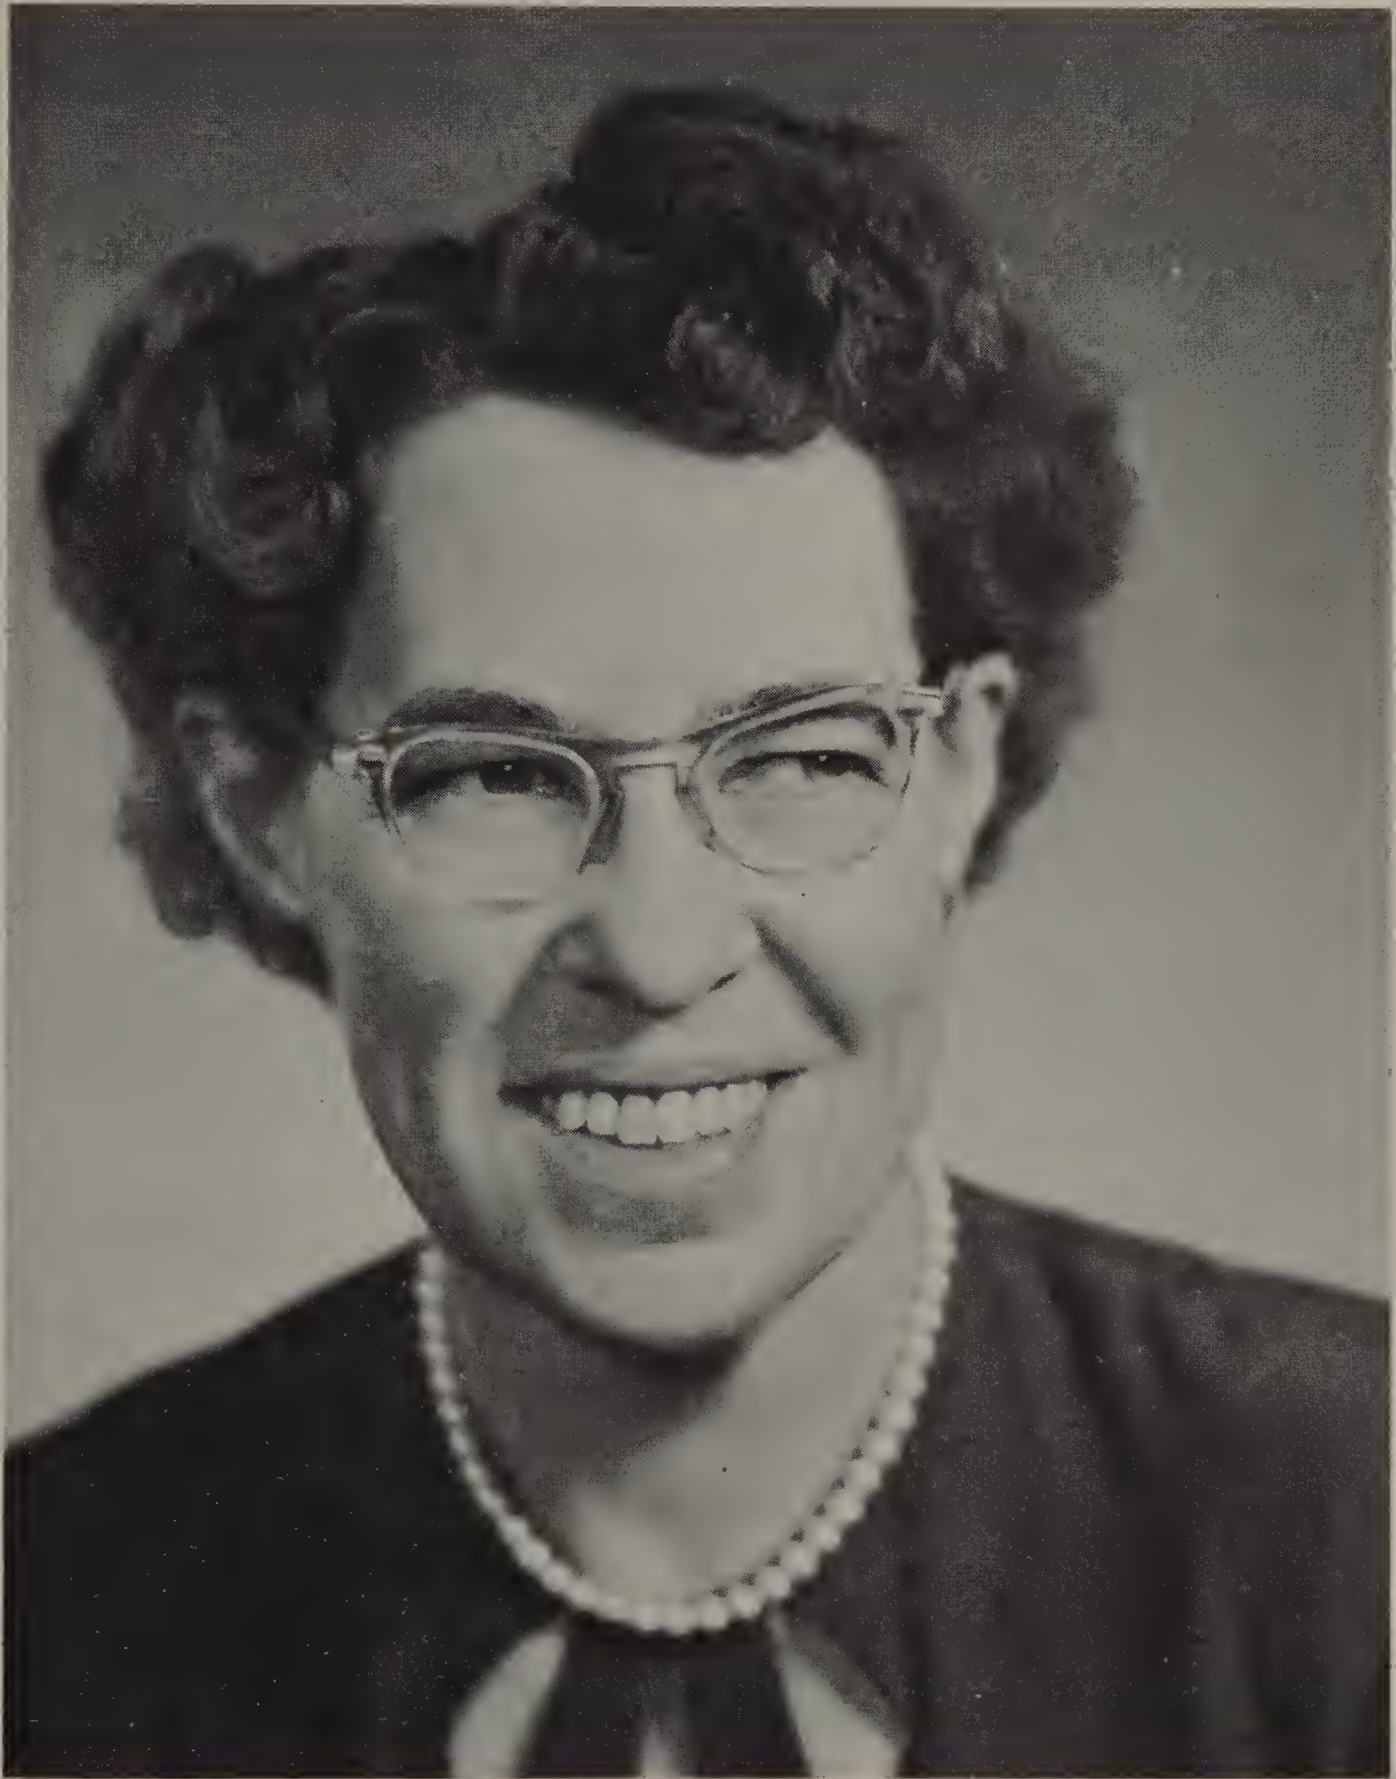

**Dr. Katherine Gillette Blyley**

As a result of Dr. Blyley's ingenuity and dynamic administrative ability, the growth of Keuka can be seen not only on campus but also in the world of educational progression. Through her ceaseless efforts and enthusiasm Keuka students have come to realize woman's place in the world and their responsibility to society.

Thus Dr. Blyley will always be an important part of our college memories.

# DEAN

Dr. Louise Robinson Heath

In our four years at Keuka Dr. Heath has been not only a Dean, a guide and an educator, but a sincere and genuine friend. Her faith in and deep understanding of the individual, her wisdom and versatility, and her exemplification of democratic ideals have won our admiration, esteem and love. To us Dean Heath is a true symbol of greatness.

*Best wishes  
Lauri Robinson Heath*

After returning to campus and exchanging summer experiences we Sophomores were ready to begin classes and the many activities we had been anticipating. Soon the flame of the initiation fire could be seen as the Frosh became true Keukonians in "old Indian style!" In a short time the strains of "A Long, Long Trail" could be heard and out we went in the middle of the night in an attempt to find all the tokens the Juniors had hidden on their Pow-Wow trail.

We enthusiastically climaxed Fall Quarter with "Satan's Inn"—our Soph Hop; and then just before Field Period we paraded into the dining room to display our smart sweatshirts of royal blue.

During Field Period many of us invaded the outside world and gained much valuable experience. Winter and Spring Quarters found us planning Winter Weekend and our stunt. With our Soph party we concluded another year in genuine Keuka spirit.

On August 29th, 1952, 109 eager, enthusiastic and thoroughly baffled freshmen entered the halls of Keuka College. Many questions and thoughts ran through our minds as we began our college life. "I wonder what my roommate will be like?" . . . "Everyone is so friendly!" . . . "I'll be lost when the upperclassmen get back!"

The thoughts weeks later: "I like it." . . . "When will initiation start!" . . . "I've got to make the Dean's list." . . . "Oh! that blind date!"

# CLASS

Then our class presented a stunt for the whole college: "I'm scared to death." . . . "How will I get my homework done?" . . . "The party in the Buffet was as much fun as the stunt!"

Now that June has arrived and we look back on all those things that confused and even frightened us at first, we realize that the initial step has been taken establishing us as an integral part of our college.

# **ORGANIZATIONS**

# COOPERATIVE GOVERNMENT

As its name implies, our government is a cooperation among the students, Administration, and Faculty. Each club and organization on campus is represented by students, faculty, and the more important groups, by the Administration. It is through Cooperative Government that we can integrate our ideas, in order to further the interests of the student body as well as the college.

House Council, Judiciary, and Nurses' Council govern the conduct of the students; Senior Council administers regulations for the Senior class: Con-

gress handles all matters other than discipline; and Forum is our 1:00 meeting on Friday, during which the entire student body takes an active part in our government.

By promoting interest in activities on campus, Cooperative Government has contributed to the welfare of the student as an individual, to the welfare of the college as a whole, and has furthered the principles of democratic living.

All organizations on campus are an integral part of Cooperative Government.

# ATHLETIC ASSOCIATION

Spirit, thrills and enjoyment characterize the activities of our Athletic Association. Resounding cheers of "Go-Go-Go" reflect the true sportsmanship of all enthusiasts who participate. Crew, hockey, basketball, volleyball, badminton, fencing, swimming, tennis, softball plus intramurals offer all students hours of fun and relaxation.

The echoing of "stroke-up" at 6 A. M.—"Hockey is a running game"—"swim or sink"—"score, score, score"—aching muscles—awarding of big K's and the class cups at the annual A. A. Banquet are all suggestive of the sports program at Keuka.

May Day culminates our sports activities with the crowning of the A.A. Queen. This queen exemplifies sincere interest, sportsmanship and ability in every respect.

**Top row, standing left to right:** Henry, Driscoll, Beauchamp, Miss Long, Faculty Advisor; del'Etoile. **Second row:** Reeves, Williamson, Ingalsbe, Simpson, Ogden, Miller, President. **Third row:** Johnson, Lewis, Dionne.

# PUBLICATIONS

It's graduation time. And suddenly we want very much to remember all the little things—the twinkle in our roommate's eye, the way the campus looks at twilight, the familiar presence of the lake. It is to fulfill this desire that **Kiondaga** exists. In years to come it will be an open-sesame to such familiar sights and all that Keuka means.

From radio script to the vignette, **Red Jacket** attempts to present the best in creative writing at Keuka. Perhaps it will never number among its contributors a Pulitzer Prize winner, but no recognition is so gratifying to a Keukonian as being awarded the dearly coveted **Red Jacket** golden trophy.

Here "breaks" all the big news on campus, here are expressed, in our own editorials, the students' views, here are recorded our activities. Here is **Keukonian**.

# ARION

Arion started the year by welcoming new faces to its annual corn roast at the Playhouse.

In October we began work on "Lady Windemere's Fan" which subsequently became an outstanding success. During Winter Weekend we presented "The Theater in the Round" for the first time, producing "The Trojan Women" on a circular stage, with the cooperation of Terpsichore and the choral speech class. The advent of the Spring plays brought forth originality in both writing and directing, and June found us presenting our final production of the year.

Our programs were designed to give members an appreciation of all phases of dramatics. These consisted of play reviews and demonstrations in techniques, such as stage make-up, cuttings of plays, and even a costume party.

We enjoyed presenting dramatic entertainment and were pleased with the result of our efforts.

# RELIGIOUS ORGANIZATIONS

Keuka is a distinctly Christian college by virtue of its history and expressed ideals. The Y. W. C. A. works in cooperation with Chi Lambda, Hillel, Newman and Canterbury clubs to offer the opportunity for each Keuka girl to participate in various religious activities. The wide program, including worship, service and fellowship, enables each girl to keep in contact with her own personal religion.

Regular meetings, Sunday night vesper services, a W. S. S. F. drive, guest speakers, deputation teams, social service projects, dances and musical meditation programs suggest some of the activities that the religious organizations sponsor.

# MAY DAY

The campus was dotted with black robes and white dresses—a symbol of progress intellectually and socially. Parents and friends had arrived to view the events which make May Day one of Keuka's most significant traditions.

Moving-up exercises in the Auditorium started a round of activities which were to last throughout the day. Hoop rolling on the front campus, crew races on the point and the crowning of the A. A. Queen climaxed the morning's activities.

The highlighting feature of the afternoon was the crowning of the May Day Queen—the girl

who during her four years at Keuka exemplified leadership, fellowship, personality, high ideals, and inexhaustible enthusiasm which typify the ideal Keuka girl.

As a conclusion to the day that had been complete in all respects, we attended the Mother and Daughter Banquet, while fathers were entertained at a stag dinner at the barn. After the banquet, the Seniors held their final step-sing on Ball Hall steps.

So ended another unforgettable May Day at Keuka!

# A. A. QUEEN

The culminating event of May Day morning is the crowning of the Athletic Association Queen. The A. A. Queen is a member of the Senior Class chosen by the students as the Keukonian who best personifies the ideals of sportsmanship.

Two attendants from each of the classes accompanied her. These attendants were considered by the students to be enthusiastic participants in the program of our Athletic Association.

The Queen of Athletics is a picture of sincerity and ability, which is shown by her active part in all sports and athletic activities of Keuka College.

**JUNIOR QUEEN AND ATTENDANTS**

Skyscrapers and Central Park, bright lights and penthouses transformed our campus into a whirlwind of fun and frolic, the weekend of February 13-15 when the Junior Class sponsored "Manhattan Magic".

Friday evening the "Keukakabana" featured Junie Mays at the piano. Saturday was a busy day with games at the Long House, a banquet and Penthouse Serenade, the prom, which was highlighted by the crowning of Eugenie Vey as Belle of New York. Queen Genie was attended by Adele Donnelly and Lynn Colborn.

Open house and dorm parties on Sunday culminated a most enjoyable weekend for all.

# INFORMAL DANCES

Throughout the year the scattered informal dances with men from Sampson Air Force Base and surrounding college fraternities lent themselves to many enjoyable hours for all those who participated.

The planning and sponsoring of these dances was afforded by Y. W. C. A. and Social Advisory Board.
